Sir,

online closure application -Extension of time for manual closure application processing-Reg.

1. GO(P)158/2017/Fin dtd 23.12.2017.
 2. Letter No. PF General(3)/51412/15 dtd 05.01.17, 23.01.2018 from DPI.
 3. Letter No. PF2/100358/2018/HSE dtd 04.01.2018 from HSE.

Inviting attention to the references cited, I am to inform you that, a number of complaints are being received in Government regarding the issues in timely and seamless processing of online PF closure applications in GAINPF. It is reported that incomplete data updation and data transfer to GAINPF from Treasury system are the main reasons for the same in most of the cases. So to avoid hardship to the employees who are about to retire this quarter, an extension upto 31/05/2018 is allowed for processing manual closure applications as well where the PF authorities finds it as the only option. In all other case,

the online closure processing in GAINPF will be continued. But in all cases, the bills must be SPARK generated. Director of Treasuries is requested to inform the content of this letter to all treasury officers.

Yours faithfully,
SURESH KUMAR O.B.
